

## Twin Dolphin Golf Club Niño's Tees

The Niño's Tees at Twin Dolphin were designed as a fun family experience using a course within a course concept to develop both young and beginner players alike.

The tees are carefully set within the surroundings of the Fred Couples Signature Design Golf Course giving this short course an entertaining element into the different features of the layout. Composed of Par 3's and Par 4's, this Par 61 2,300 yard short course is a perfect way for kids and families to enjoy the golf course.
